### **2.3 Description**

At the North East LEP Board on the 18 March 2021 an updated report will be taken to approve temporary project funding swaps that will maximise the Local Growth Fund and Getting Building Funding for the 2020/21 budget year.

Agreements are currently being prepared for these funding swaps that require a release of funding to be arranged before the end of March 2021. It was intended that this decision would form part of the March Funding Decisions Report already placed on the Forward Plan for the 30 March 2021, however, due to the release of funding required within this month, this key decision is required to be made in advance in order to meet the financial timescales required.

### **2.4 Decision Maker**

Head of Paid Service

### **2.5 Consultation Process**

The Head of Paid Service, Interim Monitoring Officer and Interim Section 73 Officer (Chief Finance Officer) and the Head of Economic Growth and the Head of Policy and Performance have all been consulted and agreed that the decision is urgent and cannot reasonably be delayed.

The Chair of Overview and Scrutiny Committee has been consulted and agreed that the decision is urgent and cannot reasonably be delayed.

### **2.6 Background Documents**

Delegated Decision Report

### **2.7 Reasons why impracticable to give 28 days clear notice**

It is impracticable to place this item on the Forward Plan due the timescale required to implement the funding swaps.

The Monitoring Officer has examined the background and context of this decision and concurs that it is impracticable for this decision to be placed on the Forward Plan 28 days before it is made.
