

ANNUAL GOVERNANCE STATEMENT 2021/22

**NORTH
OF TYNE**
~~~~~  
**COMBINED  
AUTHORITY**

## **Section 1: Introduction**

This Annual Governance Statement provides an overview of how the North of Tyne Mayoral Combined Authority's governance and internal control arrangements operated during 2021/22, including how they are reviewed annually to ensure they remain effective.

## **Section 2: Scope Of Responsibility**

The North of Tyne Combined Authority (NTCA) is a cross-party, cross-region collaboration led by a Mayor and Cabinet to create a dynamic and more inclusive economy, one that brings together people and opportunities to create vibrant communities and a high quality of life, narrowing inequalities and ensuring that all residents have a stake in our region's future.

It was established on 2 November 2018 to deliver the devolution deal agreed between Newcastle, North Tyneside and Northumberland Councils, the North East Local Enterprise Partnership (North East LEP) and Central Government. Devolution has given us the chance to make our own decisions about our own future - with a shift of power, funding and responsibility from central government to the region. It does not replace the three constituent councils, nor take away any of their statutory powers.

We work in partnership and create connections between our programmes and projects for the region. We target investment where we know we need it most and make connections between economic growth and providing the skills, education and confidence local people need to benefit. We work collaboratively with:

- The North East LEP to support delivery of the objectives of the regions Strategic Economic Plan. We are the accountable body of the North East LEP with all its funding decisions being held to account through NTCA.
- The North East Combined Authority to support the region, including transport. To oversee strategic transport functions a Joint Transport Committee has been established with members from both Combined Authorities.
- All seven Local Authorities, and other regional bodies on issues that relate to the wider region.

NTCA is responsible for ensuring that its business is conducted in accordance with the law and proper standards. It is also responsible for ensuring that public money is safeguarded, properly accounted for and used economically, efficiently and effectively. The Authority also has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised.

In discharging this overall responsibility, the Authority's Cabinet and Statutory Officers are responsible for putting in place proper arrangements (known as a Governance Framework) for:

- (i) the governance of our affairs and
- (ii) facilitating the effective exercise of our functions, including arrangements for the management of risk

In relation to (ii) the Authority has developed a system of internal control designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness.

The system of internal control is based on an ongoing process designed to:

- a) identify and prioritise the risks to the achievement of our, aims and objectives; and

- b) evaluate the likelihood of those risks being realised, the impact should they be realised, and to manage them efficiently, effectively and economically.

The Combined Authority has developed a Risk Management Strategy and Strategic Risk Register which is reported regularly at meetings of the Authority's Audit and Standards Committee. This information can be found under the [Audit and Standards Committee on the Authority's web-site](#).

### **Section 3: Purpose Of The Governance Framework**

Corporate governance is a phrase used to describe how organisations direct and control what they do. The Chartered Institute of Public Finance and Accountancy (CIPFAs) publication "Delivering Good Governance in Local Government" (2016 Edition), sets a framework, and the standard, for local authority governance in the UK. The Framework sets out a set of principles which we test our governance arrangements against to consider the extent to which the Authority complies with the principles of good governance as set out in the Framework. This is reported through the Annual Governance Statement. It also enables us to monitor the achievement of the Authority's priorities and to consider whether those priorities have led to the delivery of appropriate services which represent value for money.

The Governance Framework has been in place for the year ended 31 March 2022 and up to the date of approval of the Authority's Annual Report and Accounts.

This Annual Governance Statement meets the requirements of the Accounts and Audit Regulations 2015 (6) (1) to conduct a review of the effectiveness of the system of internal controls required by Regulation 3 and prepare an Annual Governance Statement.

### **Section 4: The Governance Framework**

The core principles and outcomes of our Governance Framework are set out overleaf. This includes examples of how the Authority has adhered to its governance commitments set out in the Constitution and includes hyperlinks to sources of further information which include more detail about how NTCA has implemented its commitments.

## Respecting the Rule of Law

NTCA has measures to address breaches of its legal and regulatory powers. The Authority's Monitoring Officer has statutory reporting duties in respect of lawful decision and maladministration.

We review and update our standing orders, standing financial instructions, scheme of delegation and support procedure notes/manuals – these clearly define how decisions are taken and the processes and controls required to manage risks.

**Scheme of Delegations** - The proposed scheme identifies a number of officers as “designated officers” who can exercise the delegated functions allocated to them in the scheme.

These designated officers are the Head of Paid Service, Chief Finance Officer, and Monitoring Officer, Chief Executive and Director of Policy and Performance, as well as the Chief Executive of the North East LEP (whose delegation relates to North East LEP matters only).

Our financial management arrangements conform to the CIPFA Statement on the Role of the Chief Finance Officer.

The Monitoring Officer is advised on compliance with our policy framework, ensuring that decision making is lawful and fair and ethical.

## **Section 6: North East Joint Transport Committee and North East Combined Authority**

Regional transport is operated and governed by the North East Joint Transport Committee, bringing together the two Combined Authorities, which allows effective decision-making across the region to ensure that the local needs and transport priorities are delivered. The Committee receive regular updates on North East and Regional Transport Plans.

The Committee also receive regular updates from the Managing Director, Transport North East, in respect of transport partnerships, including East Coast Mainline, HS2 and Northern Powerhouse Rail.

The Joint Transport Committee, Audit Committee is also a key component of the corporate governance arrangements and is an important source of assurance about the Joint Transport Committee's arrangements for managing risk, maintaining an effective control environment; and reporting on financial and performance matters.

The Joint Transport Committee also has an Overview and Scrutiny Committee to enable local councillors, on behalf of their communities, to scrutinise and challenge the Joint Transport Committee, its committees and Nexus, and to investigate matters of strategic importance to residents with a view to influencing and adding value to the decisions.

## Section 7: Investment Fund Programme & Brownfield Housing

### Investment Fund Programme

Delivery of the initial 5-year Investment Programme is in a strong position as we approach the first Gateway Review with Government. To date £82.9m is committed (exc. £10m top slice) against a wide range of projects and programmes supporting businesses, skills and capital infrastructure. Project delivery is well underway and we are seeing an increase in the reporting of actual outputs, including 819 new jobs and 1773 safeguarded.

Forecast cumulative expenditure for 2022/23 currently stands at c£50m (taking account of attrition). In addition, a healthy pipeline of high-quality projects is in place with further significant investments planned in the coming months. This includes establishing a £10m Equity Fund to support business growth, as well as further investments around green growth, digital, culture and creative, enabling innovation in businesses, as well as broader programmes of support to our residents and communities. The Covid-19 pandemic has had an impact on North of Tyne residents and our economy, in addition to the implications of Brexit and war in Ukraine. The Combined Authority continues to work closely with project sponsors to provide additional support and enable the development of alternative delivery methods where appropriate to realise outcomes. The impacts continue to be monitored.

An evaluation framework to capture our achievements and learning has been approved by the Mayor and the portfolio holder for Investment and Resources. The Combined Authority also commissioned SQW to undertake an external evaluation against national indicators, to support the upcoming gateway review in early 2023. The joint baseline and one-year-out report was received positively by Cabinet in February, evident throughout was the increasing strength of partnership working and capacity building across the area since NTCAs inception. Performance is reported monthly, outcomes are slightly ahead of forecasts in terms of the creation of new jobs and attracting private sector leverage. A bespoke programme management system, shared with the North East LEP, was launched in April 2021 across all NTCA programmes. The system was developed through an agile methodology with further functionality built over 2021/22. As a cloud-based system, this will improve the efficiency of managing and monitoring programmes across the Combined Authority and will streamline the interface with delivery organisations for claims and output reporting.

### Brownfield Housing

In July 2020, the Combined Authority secured £23.850m from Government's £400m national Brownfield Housing Fund. This was increased by a further £7.9m announced within the Levelling Up White Paper in February 22. The funding will be delivered over five years up to 31 March 2025, to support the development of at least 2000 new homes, by remediating and revitalising brownfield sites across the North of Tyne area. The Brownfield fund is part of a broader housing programme and pipeline of sites, shaping a strategic delivery approach to supporting housing and economic recovery.

The Combined Authority has operationalised the programme at pace, working closely with Local Authorities to establish a pipeline of projects totalling £23.3m and legally committing £12.5m against 6 investments by March 2022. A further £21.1m of proposed projects is currently going through the assurance framework which will increase the pipeline to £44m.

### Levelling up

Government produced the Levelling up White Paper in February as a "*blueprint for spreading opportunity more equally across the country*", with a focus on productivity, quality of life, place improvements and stronger leadership.

The White Paper itself was not accompanied by major funding announcements, although the NTCA will receive nearly £8m of additional Brownfield Housing Funding and a devolved Shared Prosperity Fund allocation – with the amount not yet known.

Instead, the main focus of the White Paper is to provide the strategic backdrop for, and influence, future Government funding and decision making - in areas ranging from skills and regeneration to digital infrastructure. It also advocates that more funding should be devolved in future. Government departments will be asked to set spatial objectives and numerical targets, while a new Levelling Up Advisory Council will be created to oversee progress.

## Section 8: Adult Education Budget

Devolution of Adult Education Budget (AEB) has provided an opportunity to make commissioning decisions on an area focused and forward-looking basis. NTCA's ambition is to improve the impact of AEB in the NTCA region and we will continue our approach to strategic relationship building and partnership working to develop localised, flexible, high-quality provision that responds to the needs of our residents and employers.

In August 2020 the NTCA took control of £23,144,967 devolved AEB for academic year (AY) 2020-21. An additional allocation of £959,064 for one year only was devolved in September 2020 to invest in High Value Courses (HVC) and Sector-based Work Academy Programmes (SWAP). £409,894 was also delegated to NTCA in April 2021 to deliver the Lifetime Skills Guarantee – Level 3 Adult Offer. Bringing the total AEB for AY 2020-21 to £24,513,925.

With Cabinet approval, 100% of the NTCA AEB funding was allocated during AY 2020-21. 67% was allocated through Grant Funding Agreements, 27% was allocated through procurement exercises which were open to all adult education training providers and 3% was invested in the costs associated with managing the budget.

For AY 2021-22 NTCA have received a devolved AEB of £23,551,493 plus an additional £1,641,588 for the delegated Level 3 Adult Offer. Bringing the total AEB for AY 2021-22 to £25,193,081. NTCA Grant fund 10 Provider's. 26 Contracts for Service are held with 22 Provider's. And there are 13 Provider's delivering the delegated Level 3 Adult Offer.

Through the Scheme of Delegation 93% of the AY 2021-22 budget has been allocated through extensions to Grant Funding Agreements and procured Contract for Services. The remaining funding is being allocated through mini-competitions and contract growth as new opportunities are identified throughout the year. All NTCA Providers have developed an AEB Delivery Plan which is monitored at quarterly performance management meetings throughout the year.

The AEB is a cornerstone of investment in the skills system and has a significant role in supporting our region's economic recovery from the COVID-19 pandemic. Led by the priorities outlined in the published NTCA Strategic Skills Plan, NTCA officers work closely with education providers, employers and stakeholders to ensure that a high-quality adult skills offer is available which focuses on achieving outcomes directly linked to local labour market needs, helping residents to improve their quality of life and ensuring that North of Tyne employers can access residents with the skills their businesses need to grow and thrive.

The devolution of the AEB has provided NTCA with the opportunity to implement additional flexibilities on the funding for the benefit of our residents and employers. NTCA implemented a number of new funding flexibilities during AY 2020-21 and AY 2021-22 in response to consultation with the AEB provider base and in response to the ongoing impact of the crisis on adult learning. All of the flexibilities have been co-designed to specifically address disadvantage and remove barriers to learning.

NTCA AEB providers have delivered a range of provision targeting employed and unemployed residents including statutory entitlements in maths, English, English for Speakers of Other Languages (ESOL) and digital skills plus full Level 2 and Level 3 vocational programmes required to access the labour market and/or progress in work.

Despite the ongoing restrictions and interruptions to learning caused by COVID-19, in AY 2020-21 the AEB funded over 25,000 enrolment opportunities and by the mid-year point in this current AY 2021-22, the AEB has already funded over 17,400 enrolment opportunities.

Key priorities set out in the NTCA Strategic Skills Plan include supporting residents of all ages, including those in work, to develop their skills to progress into better jobs and increase their earnings. We also aim to extend the reach of learning opportunities to a broader range of underrepresented groups. Analysis of NTCA's devolved AEB investment reveals that

- 72% of residents accessing devolved AEB reside in the top 20% deprived wards in our region (45% of in the top 10% deprived wards)
- 71% of AEB opportunities are being undertaken by unemployed residents
- 16% of AEB opportunities are being undertaken by young people (19-24)
- 58% of AEB enrolment opportunities are being undertaken by women
- 47% of enrolment opportunities are being undertaken by residents from our BAME community
- 72% of AEB enrolment opportunities are undertaken by residents with low or no qualifications
- 18% participating in provision self-declared a learning difficulty/disabilities

### **Section 9: Significant Weaknesses In Governance and Internal Control**

The system of governance (including the system of internal control) can provide only reasonable and not absolute assurance that assets are safeguarded, that transactions are authorised and properly recorded, that material errors or irregularities are either prevented or would be detected within a timely period, that value for money is being secured and that significant risks impacting on the achievement of our objectives have been mitigated.

The review highlighted no significant weaknesses in governance or internal control during 2021/22.

### **Section 10: Governance and Internal Control Improvements**

The review also identifies activities that may need improvement, but which do not constitute "significant weaknesses" in our governance and internal control arrangements. These are set out in Appendix A and will be monitored as part of the next review.

### **Section 11: Conclusion**

We consider the governance and internal control environment operating during 2021/22, to provide reasonable and objective assurance that any significant risks impacting on the achievement of our principal objectives will be identified and actions taken to avoid or mitigate their impact.

The annual review has shown that the arrangements for 2021/22 are in place and operating as planned.

| The Financial Management Code (FM Code) was an additional requirement in 2020/21 and is mandatory from 2021/22. The Code is based on a series of principles supported by specific standards which are considered necessary to provide a strong foundation to manage the short, medium and long-term finances of a public authority. | In preparation for the first full year of compliance with the Code the Combined Authority undertook a self-assessment to ensure that it complied with the FM code in line with guidance issued by CIPFA and in a way that is appropriate and proportional to its own circumstances reflecting the structure, function and size of the Combined Authority. | The overall conclusion of each Financial Management Principle has been assigned a red, amber, or green rating in line with the scale of the improvements required for full compliance. A red rating indicates that significant improvements are required, an amber rating indicates that moderate improvements are required, and a green rating indicates that no improvements or minor improvements may be required. | <p><b>Assurance Principle – Standard (F)</b> The authority has carried out a credible and transparent financial resilience assessment.</p> <p><i>This requirement relates to whether the Combined Authority has undertaken an independent, credible, and transparent financial resilience assessment. Unlike Local Government the Combined Authority has full control over the grant and funding programmes it has with more certainty around the financial envelope to plan with, and no risk associated with Demand Led Services as our constituent authorities have. The factors which should be considered as part of the financial resilience assessment, will include getting routine financial management right, planning and managing revenue and capital resources well and using performance information effectively. As no assessment has been carried out to date externally, this has been consequently assessed as Amber.</i></p> | <p><b>Progress update:</b></p> <p>An annual external assessment is carried out by the External Auditor to ensure the Combined Authority is a going concern and has put proper arrangements in place to secure value for money. In addition, the first 5-year Government Gateway Review is due to be undertaken in 2022-23 to provide independent assurance of the Combined Authorities funding programmes have resulted in positive impact for the Region.</p> | <p><b>Standards Principle – Standard (H)</b> The authority complies with the CIPFA Prudential Code for Capital Finance in Local Authorities.</p> <p><i>Borrowing powers need to be secured to enhance the Combined Authority's ability to achieve its ambitions. These powers may be secured during Q4 of 2021/22 (January – March 2022). At which time an appropriate Capital Investment Strategy will be laid before the Mayor and Cabinet for their consideration.</i></p> <p><b>Progress update:</b></p> <p>Confirmation received 28 March 2022 that the Minister had signed the Combined Authority (Borrowing Powers) Regulations 2022 on 22 March 2022. Chief Finance Officer will work on an appropriate Capital Investment Strategy including Minimum Revenue Provision (MRP) Policy to be laid before the Mayor and Cabinet for their consideration. The Capital Investment Strategy and MRP Policy will be taken alongside the Budget Proposals Report for 2023/24 to January 2023 Cabinet.</p> <p><b>Sustainability Principle - Standard (E)</b> The Financial Management Style of the authority supports financial sustainability – Has the authority sought an external view on its financial style, for example through a process of peer review?</p> <p><i>The Authority has evolved as a new entity in its entirety. The nature of the funding sources and delivery mechanisms the Authority has to achieve the Ambition and the requirements of the devolved funding mean that the level of risk associated with Financial Sustainability traditionally associated with Local Government Tiers is not the same. A peer review is not a requirement for compliance with the FM Code, the benefit of doing so will enable:</i></p> |
